

# Research Study

## University of California, Berkeley Department of Social Welfare

*The purpose of this study is to learn about how disabled people living in the Bay Area and receiving social security disability benefits make ends meet. Researchers are interested to learn from your experiences of navigating the guidelines of Social Security programs, work-related restrictions and opportunities, and the effects of it all on your daily life.*

### Who is Eligible?

- Disabled adults who receive Social Security benefits (SSI or SSDI)
  - Ages 18 – 65
  - English-Speaking

### What will you be asked to do?

- Spend 1-2 hours participating in a 1:1 interview via phone or video conference
- Participate in 1 group to provide feedback on initial analysis with investigator via phone or video conference

*You will receive up to \$40 compensation for your time participating in this study. \$10 is provided for each part of the study to cover telecommunications costs.*

**If you have any questions or are interested in participating, please contact the Student Investigator:**

Katie Savin, MSW at (415) 322-8750 or Email: [katie\\_savin@berkeley.edu](mailto:katie_savin@berkeley.edu)
